

FOR IMMEDIATE RELEASE

\$30,000 RAISED TO HELP FINANCIALLY ASSIST THOSE WITH BREAST CANCER

Sequin, Ontario – May 2, 2022 – This past weekend a group of amazing ATV & SXS riders took part in the 12th Anniversary TraX4 Breast Cancer ATV ride. The weekend event was hosted at Jolly Roger Inn & Resort in Sequin and let's just say there was no shortage of mud & fun!

Saturday morning the participants departed the resort and headed through the Park2Park trails in Sequin seeing the terrain the the area had to offer. Riders were truly challenged by every terrain possible imaginable from mud to rocks and a few nice "water" holes. The sun was shining and after a fun filled morning of riding the group stopped to enjoy lunch trailside. The day ended with a fantastic evening complete with dinner, silent auction, awards and speeches.

We are excited to announce that \$30,000 was raised at the event through participant pledges, corporate sponsorship and silent. A beautiful tribute video was played in memory of TraX4 Breast Cancer Co-Founder, Tracey Guthrie, who gained her angel wings in 2016 after a 19-year battle with the disease. We are happy to announce that Ryan Donegan raised the highest pledges and he is no stranger to this title! Congratulations to Jon Bond for winning the "WTF" award for the best mishap on the trail. Congratulations to Jenesta & Jason Davidson on winning the Deck Your Ride contest. Special congratulations to John Mesdag for taking home the Momma Bear award in memory of event Co-Founder (Tracey Guthrie) for compassion & care amongst other characteristics.

A special thank you to all our volunteers and friends.
